INTERSTATE CONFERENCE AND COMMISSION RECORDS, 1963-1977.

17.45 cu. ft. and 39 microfilm reels

DESCRIPTION: This series contains correspondence, reports, publications, and meeting agenda and minutes from interstate conferences and commissions, all of which relate to interstate and federal-state policies and cooperation. The organizations included in this series are the National Governors' Conference, Western Governors' Conference, Council of State Governments, Education Commission of the States, Federation of Rocky Mountain States, Four Corners Regional Commission, and the New Coalition. The correspondence includes materials from other governors as well as the organizations themselves. Governor Rampton was a member of each of these organizations and, at various times throughout his administrations, served as chairman of each conference and commission (with the exception of the New Coalition). These records were preserved by Governor Rampton and his staff.

ARRANGEMENT: This series is arranged chronologically by year or year grouping. Thereunder, the materials are arranged strictly chronologically from 1963 to 1966, yet from 1967 to 1977, the materials are arranged alphabetically by name of conference or commission, thereunder alphabetically by subject or document type, thereunder chronologically by date.

RELATED RECORDS: For more materials regarding federal-state interaction, consult Series 20913, FEDERAL CORRESPONDENCE and Series 23521, FEDERAL PROGRAM RECORDS. Series 13856, CORRESPONDENCE, contains a small amount of material on the Federation of Rocky Mountain States.

PROCESSING NOTE: This series was microfilmed with the hard copy kept because of the intrinsic value of the papers. It was processed by Kira Robertson in February 2001 and filmed

December 2001-January 2002.
